

PHASE 2

COVID-19 EXIT

The following activities are authorized again:

1. Visits of a private nature organized at home. Six people max., in addition to the people living in the same household

2. Outdoor gatherings in a public place for a maximum number of twenty people

3. Re-opening of shops (with exceptions)

4. Outdoor sports activities of non-competitive nature without physical contact. Public swimming pools remain closed

5. Re-opening of the National Archives, public libraries, museums and exhibition centers

As of May 11th, new measures for a gradual exit from the state of confinement are rolled out, which are subject to strict compliance with sanitary measures and barrier gestures as of May 11th.
